

SUPPORTED BY THE NORFOLK ISLAND FLORA & FAUNA SOCIETY

All community members and visitors are invited to the next Science at Sunset information session:

**Norfolk Island Climate Adaptation**

**21 April 5pm - Knowledge and Learning Centre (KLC)**

Join CSIRO Senior Research Scientist Michael Dunlop and his team to hear about climate adaptation on Norfolk Island, with specific reference to the Norfolk Island National Park and actions that can be taken to adapt to future climate change.

Gold coin donations to support the KLC centre are appreciated.
